

Dear all,

The clock is ticking fast and in less than a month we will be discussing theory, networking with our peers, challenging others at an archaeological quiz and having much fun at TAG Manchester.

We now have confirmation of all the running sessions and speakers and we are working on the production of a timetable that will be published in the website this week.

Registration is now open!

You can access it through this link: http://www.tag-manchester.org/?page_id=37

Conference registration includes:

- Entry to academic sessions on all three conference days in full
- Tea & Coffee
- Reception and welcome drink (Monday)
- Antiquity Quiz and TAG party (Tuesday)
- Conference Pack, including Abstracts and Programme
- Name badge
- And much more!

We are looking forward to seeing you all in Manchester!

All the best,

The TAG COMMITTEE
