

# OCCAM'S BEARD

*what if Occam never had a razor?*

*Instituto Gulbenkian de Ciência &  
Champalimaud Neuroscience Programme present*

a **science comedy event** where speakers are challenged to interpret *real data* in the most *imaginative* way possible ignoring science's most cutting principle: **Occam's razor.**

*cell phones prevent tuberculosis!*

**Saturday**

**1 February**

CCU Auditorium

Champalimaud Centre for the Unknown  
Av. Brasília, Doca de Pedrouços, Lisboa (Algés)

**16h**

*Atlantis is in the Açores!*

*baldness is an evolutionary adaptation!*

*...and more...*

Join us for an afternoon of *hilarious talks*, quizzes and a very serious competition, and discover how **silly** science can be **without critical thought.**

*entrance free!*

for seat reservation and information, go to  
[www.occamsbeard.com](http://www.occamsbeard.com)

**FCT**

Fundação para a Ciência e a Tecnologia
