## ICEUBI2019

## INTERNATIONAL CONGRESS ON ENGINEERING

### CALL FOR WORKSHOPS

The ICEUBI2019 Organizing Committee invites proposals for workshops to be held during the ICEUBI2019 International Congress on Engineering in Covilhã, Portugal, from 26<sup>th</sup> till 29<sup>th</sup> November 2019.

Full-day or half-day workshops are intended to bring together researchers, developers, technology providers, and users for a lively discussion of issues and an informal exchange of ideas and information.

Workshops may target a specific application area, a specific research area, or a topic of general interest.

We invite individuals or teams interested in organizing such a workshop to submit proposals. Workshops will be held on November 26<sup>th</sup>, 2019. Tutorials, one keynote speaker and an Institute visit will also be held on this full/half day.

### KEY DATES

June, 28	Workshop Proposals Submission
July, 15	Workshop Proposals Acceptance
July, 31	Call for participations
October, 30	Notification of Registration Acceptance
November, 20	Workshops Program Book

## SUBMISSION GUIDELINES

**Workshop proposals** should be submitted electronically and should include:

- ◆ A title and an acronym;
- ◆ A brief topic description (approximately 500 words);
- ◆ The intended audience and its expected size;
- ◆ A list of invited speakers (if any);
- ◆ Describe the format or style of the workshop (such as a series of short presentations, with a panel discussion session, working groups, or other);
- ◆ In case of invited contributions, include the call with submission deadline and notification date;
- ◆ The expected benefits of participating in the workshop;
- ◆ The names, contact information, and brief biographies (roughly 100 words each) of the workshop organizers, and
- ◆ Technical requirements, including space, audio/visual, computer, and communication needs.

The deadline for **workshop submission proposals is June 28<sup>th</sup>, 2019** and **notifications** will be sent out **on July 15<sup>th</sup>**. Workshop submissions must be submitted via email to the Workshops Chairs with copy to [iceubi2019@ubi.pt](mailto:iceubi2019@ubi.pt). Workshop organizers will be expected to issue their **calls-for-participation no later than July 31<sup>th</sup>** and to issue any **acceptance decisions** to their participants no later than **October 30<sup>th</sup>** in order to allow time enough for travel planning and advance registration to the conference. ICEUBI2019 Workshops proceedings will be published electronically through the ICEUBI2019 editors depending on the on-time submission of the proceedings by the workshops' organizers, before the mandatory ICEUBI2019 deadline. Organizers of accepted workshops are encouraged to seek assistance from the workshops Chairs to navigate this process.
