Individual Call to Scientific Employment Stimulus

29 january — 26 february

Lab2PT – Landscape, Territory and Heritage Lab (evaluated as Excellent by the Portuguese National Funding Agency for Science, Research and Technology – FCT) welcomes individual proposals to Individual Call to Scientific Employment Stimulus – 4th Edition.

Lab2PT is a multidisciplinary R&D unit composed by several scientific domains such as Architecture and Urbanism, History, Archaeology, Geography, Tourism, Design, Visual Arts and Geology. The Individual Call is aimed at PhD holders of any nationality or stateless with a background in affiliated scientific areas who wish to develop their scientific research or technological development activity in Portugal. Applicants should indicate the host institution where they will develop their research plan. The selected doctorates are directly hired by the identified host institution, through FCT funding.

All those interested should contact Lab2PT, until February 10th, by email, to: sec@lab2pt.uminho.pt, informing Lab2PT of their intention to apply and sending a CV and an initial draft of the Project they wish to submit, in no more than two pages.

The call is open from 29 january 2021 until 5 p.m. (Lisbon time) on 26 february 2021.
